

Phoenixx Borzoi Sales Agreement

This agreement is between Peter and Jane Schreiber (seller/breeder) and

_____ (Buyer) for the purchase of AKC registered
Borzoi:

_____. The agreed upon purchase price is
\$_____.

- The buyer is responsible for all travel expenses for the Borzoi.
- Seller/breeder will have the Borzoi's vaccinations up to date and have a health certificate if necessary for travel.
- If at anytime during the Borzoi's life, Buyer can no longer keep the Borzoi, Buyer agrees to return the Borzoi to Seller/Breeder.
- The buyer agrees that through the life of this dog, it will be provided with proper nutrition, exercise and grooming, veterinary examination, treatment as needed, and vaccinations as recommended by Buyer's veterinarian.
- The buyer agrees to maintain the Borzoi in an environment befitting the Borzoi breed, free from internal and external parasites and avoids unreasonable exposure to contagious diseases, dangerous situations or the elements.
- The buyer agrees to provide proper training, discipline and socialization so that the Borzoi can develop a typical Borzoi temperament.
- The buyer agrees to have the Borzoi identified by implanting of a microchip intended for identification. The identification number will be shared with the Seller/Breeder
- Seller/Breeder guarantees that the Borzoi is free from any congenital health defect that would affect its quality and/or length of life.
- Should the Borzoi develop any congenital or hereditary condition within its first eight years of life, which causes death or disability, the Seller/breeder agrees to replace the Borzoi with a puppy or young adult of equal quality, when available.
- The Borzoi is also being sold with a guarantee of temperament. In the event that, in spite of proper training and socialization, this Borzoi develops a temperament that would make it unsuitable as a pet or show dog, it will be returned to Seller/Breeder for refund or replacement.
